

ITO Website Navigation Plan

Auxis Website Main Page: A box will displayed all services when visitor clicks on “Technology Services”.

The screenshot shows the Auxis website navigation menu and a list of services. The navigation menu is located at the top of the page, with the Auxis logo on the left and several menu items on the right. The 'TECHNOLOGY SERVICES' menu item is highlighted with a red box and a hand cursor. Below the navigation menu, there are three columns of services, each with a heading and a list of sub-services. The first column is titled 'Information Technology Outsourcing', the second is 'Information Technology Consulting', and the third is 'Enterprise Applications'. Each column has a list of sub-services, with some items indented. The bottom of the page features a banner with three images and text: a car wheel, a 'MADE IN' label, and a stack of books.
