What Our Clients Say

"Auxis' commitment, accountability and personal hands-on approach was refreshing. It was very clear that their team was concerned about OUR success. Auxis completely earned our trust and respect."

– Barbara Gomez
CFO, Latin America Beverages North
Pepsico

"The culture of Auxis has always been do what they say they will do and deliver the solution."

– Joe Harber
VP of Strategy
Applica Consumer Products

"From planning through execution and conclusion of the project, they are a great partner."

– Eduard Roosli
President Latin America
Spectrum Brands

"Auxis has become an excellent partner to our company. We were initially skeptical, having previously tried to outsource some of our accounting functions, without success. Auxis brought the expertise and flexibility to deliver a custom outsourcing solution that has resulted in improved efficiencies that exceeded our expectations."

– John Ollet
EVP, Finance
TigerDirect

"They immediately helped reduce management overhead...we started to be able to sleep at night."

– Michael D. Stebel
COO, QQ Solutions

Business Professionals That Don't Act Like Traditional Consultants.

Executive leaders are under more pressure than ever to grow their organizations and find innovative ways to succeed and become more efficient. Auxis works with senior executives to identify areas of improvement within their organization, help them adapt and compete more effectively in the everchanging business economy.

We're a very different consulting and outsourcing firm comprised of former industry professionals who don't act like traditional consultants. Offering a customized "real world" results-oriented approach, we become engrained in our clients' culture and vision and truly dedicated to their success.

Our level of experience at all levels allows us to operate under a very different leverage model and maintain a focus on customization, flexibility and bottom line results at a very competitive cost structure. Whether in Finance & Accounting, IT, Supply Chain or any back office operation, Auxis creates and implements strategies to streamline any area and improve efficiency, reduce costs and increase profitability.
